PUERTO PORTALS, A PLACE TO ENJOY, SHARE AND LET YOURSELF GO

Puerto Portals has been transformed into a space that embraces the sea and the land, where experiences intertwine with sustainability, sport and life itself. Strategically located in the Bay of Palma, this nautical and leisure enclave is a benchmark of the Mediterranean lifestyle. Its high-quality commercial offer includes a carefully selected range of restaurants, fashion boutiques, nautical companies and exclusive services. Its 680 moorings, ranging from 8 to 60 metres in length, offer a safe haven for sea lovers.

Throughout the year, the port comes alive with a calendar of events combining sport, culture and leisure. This summer, it welcomes the season with La Verbena – 6 June – a magical party that exalts the Mediterranean spirit, where live music, gastronomy and the sea breeze merge in an unforgettable atmosphere.

In addition, with the recent renovation work, Puerto Portals incorporates a new promenade on the seafront that integrates the natural beauty of the surroundings with the activity of the port, creating an ideal space to take a leisurely stroll and enjoy the maritime atmosphere. A few steps away, the new sea club, offers a unique experience with its infinity pool, privileged views and an exquisite gastronomic proposal.

The commitment to sustainability is consolidated through the Blue Marina project. Thanks to the implementation of eco-sustainable improvements, the port is positioned as a leader in environmental protection. Proof of this is the award of the 'S for Sustainability' certificate, the first port in the Balearic Islands to receive this distinction.

Puerto Portals is a place where every day is an invitation to live as always, as never before.

Longevidad mediterránea

Un universo exclusivo de salud y bienestar

Hotel

Cuenta la leyenda que Altea, mecida por el Mediterráneo, irradiaba una energía sanadora en su aire, su luz y sus aguas. Hoy, esa aura mística renace en **ZEM Wellness Clinic Altea**, un universo donde la tradición holística se combina con la ciencia de vanguardia.

En el corazón de ZEM Wellness Clinic Altea late su **Filosofía ZEM**, un proceso consciente en la que el tiempo deja de ser enemigo y se convierte en un aliado. Una propuesta que celebra la **Longevidad** como un arte de vivir, como una oportunidad constante de renovación interior, y se abre la puerta a una experiencia de transformación profunda, orientada a ampliar no solo los años de vida, sino la calidad con la que se viven.

Esta visión integradora se traduce en **7 Programas de Salud y Bienestar** en los que se combinan prácticas que favorecen el cuidado físico, emocional, mental y espiritual, lo que permite detectar y abordar eficazmente los problemas de salud o las causas de las dolencias. La piedra angular de este enfoque integral toma forma en **ZEM Clinic**, un espacio transformador donde la innovación se pone al servicio del huésped. Equipado con tecnología médica de última generación, reúne 25

especialidades y 32 consultas médicas, combinando diagnósticos genéticos y cognitivos avanzados con tratamientos regenerativos de alta eficacia. Una precisión clínica que se traduce en resultados tangibles y en una transformación duradera.

La dimensión más sensorial se encuentra en **ZEMness & Spa**, un ecosistema de 4.000 m² dedicado al bienestar holístico. Más de 40 cabinas de tratamientos acogen experiencias únicas que combinan rituales ancestrales con tecnología punta. El primer centro de Europa con 7 soluciones de tecnología Metawell, ZEMness & Spa invita a perderse en la calma de la cabina de sal del Himalaya, a renovarse en el Hammam o a sumergirse en el frío terapéutico de la crioterapia.

Como escenario envolvente, se alza el **Hotel Gran Lujo**, un espacio elegante y sofisticado con 95 habitaciones y suites, donde cada detalle está diseñado para conectar con la belleza de Altea. La arquitectura, los materiales nobles y los cuidados detalles crean un ambiente sereno, íntimo y sofisticado, que junto al servicio personalizado elevan cada estancia a una vivencia única.

La propuesta se completa con un enfoque culinario transformador. En el **restaurante Salvia** se combinan creatividad gastronómica y evidencia nutricional en menús que estimulan los sentidos y promueven la salud. Los planes de nutrición personalizados, basados en la Dieta Mediterránea y diseñados por expertos, acompañan cada etapa del proceso regenerativo.

Y como vínculo auténtico con la tierra, la **Finca Althaya** se extiende a lo largo de más de 75.000 m² de cultivos ecológicos, con más de 60 variedades de frutas, verduras y hierbas aromáticas que abastecen directamente la cocina del restaurante Salvia. Un entorno natural que no solo garantiza ingredientes de máxima frescura y valor nutricional, sino que también invita a reconectar con nuestras raíces. A través de actividades al aire libre, movimiento consciente y experiencias diseñadas a medida, la Finca Althaya se convierte en un espacio para volver a lo esencia, honrar lo ritmos de la naturaleza y cultivar la presencia plena.

Así, en cada rincón se teje una experiencia transformadora. Desde la precisión médica hasta el alimento que nutre, desde el descanso profundo hasta la conexión con la tierra.

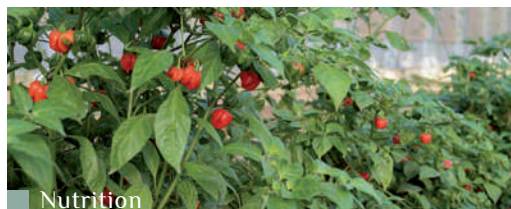

Aquí, la leyenda de Altea sigue viva.

Porque **ZEM Wellness Clinic Altea** no es solo un destino, es una **forma de vivir**.

T GOLF CALVIA

Lying just 12 kilometres from Palma, T Golf Calvia is one of the island's true golf treasures. Originally designed by famed golf architect John Harris in 1978, T Golf, has recently undergone a complete renovation of its course and clubhouse. A challenge to every level player, T Golf Calvia hosted the Rolex Challenge Tour Grand Final professional tournament two years in a row, on 2020 and 2021. More than just a great golf course, T Golf is a way of life. Come enjoy.

The course runs through majestic stands of Mediterranean pines with fairways that are dotted with strategically placed bunkers and a total of 15 beautiful yet treacherous lakes. All of this leading to the redesigned, undulating greens that are some of the largest on the island. Playing a round at T Golf with the sea to one side and the Tramuntana Mountains to the other, offers the perfect way to immerse yourself in nature and surround yourself with all the beauty of the Mediterranean. After the round, a stop in the newly renovated clubhouse for a drink on the terrace or to experience the finest in locally sourced Mediterranean cuisine is not to be missed.

HOTEL de MAR
— A GRAN MELIÁ HOTEL —
MALLORCA

Hotel de Mar Gran Meliá unveils a new Riva Lounge and becomes the first hotel in Spain to host a Riva Destination

The exclusive Riva Lounge opens in April, with experiences aboard the iconic Rivamare motorboat starting in May

Just days after the reopening for the 2025 season, the iconic 5-star **Hotel de Mar, Gran Meliá** in Mallorca announces a **new collaboration with Riva Yacht**, the most famous nautical brand in the world, an emblem of elegance and Made in Italy craftsmanship for almost two centuries.

Embodying excellence and the Mediterranean character in their respective industries, Gran Meliá and Riva cater to exclusive lifestyle and the little pleasures that make a life well lived everywhere in the world: culture, art, travel, and the possibility to share them with loved ones.

April sees the **inauguration of the new Riva Lounge**, strategically positioned in the hotel's lush seafront garden, whose **design is inspired by the unmistakable style and distinctive details of legendary Riva boats**.

Featuring unmistakable furnishings inspired by the brand's speedboats – from the counter and tables in striped mahogany that recall the top of the bow decks to the iconic Aquarama chairs, from the sofas of the new collection to books, models and themed memorabilia – the Riva Lounge at the Hotel de Mar it's the perfect address where to indulge from day to night in **the spacious indoor dining area**, on the **outdoor terrace** facing the sea or in the exclusive **Riva Privée** space.

The first and only hotel in Spain to host a Riva Lounge, Hotel de Mar joins other prestigious international **Riva Destinations** that include the Yacht Club de Monaco in Monte Carlo, the Gritti Palace in Venice and the Jeddah Yacht Club in Saudi Arabia.

Inspired by the elegance of traditional boats and the gentle sway of the waves, the Riva Lounge offers an experience inspired by the serene summers of the Mediterranean: light meals before a boat ride, sunset appetizers, and

dinners under starry nights by the sea. With fresh local and seafood ingredients, the **all-day-dining restaurant** blends the island of Mallorca's seafaring tradition with the finest culinary innovation in a space designed for the tranquillity of long Mediterranean summer days.

Each **signature cocktail** is a journey inviting guests to discover the most authentic flavours of Mallorca and the Mediterranean, from Sóller oranges to Italian amaretto, and it is crafted with fresh, local ingredients and blending the island tradition with an innovative twist.

From May 2025, the Riva experience at Hotel de Mar will also be enriched with the **arrival of a private Rivamare motorboat** available for rental by in-house and outside guests. A marvel of engineering and style, Rivamare boasts sinuous and sleek lines, in which legend and modernity combine with class.

Seductive at first glance, the yacht will be available upon reservation for full or half day **exclusive experiences** to explore the best coves of Mallorca, in many cases reachable only by sea, such as those along the cliffs of the Sierra de Tramuntana; to arrive in the center of Palma in style and enjoy lunch on the recently renovated terrace of the sister property Hotel Victoria, Gran Meliá; or, for romantic sunset cruises including *pieds-dans-l'eau* aperitif.

Designed by Spanish architect José Antonio Coderech and known as "the chocolate building" thanks to its elegant cladding, the resort overlooking the Illetes coast has been a symbol of Gran Meliá luxury hospitality and Majorcan architecture for over 60 years. Thanks to the collaboration with Riva, Hotel de Mar further raises its standards by offering inside and outside guests new exclusive experiences that add to the refined **Bonbon Beach Club** by **Alberta Ferretti** and the award-winning **gourmet restaurant Arrels** by **Marga Coll**.

The East Course has a classic design, with flat greens with not much defense around them. The broad fairways allow one to be aggressive with the driver without too much risk of penalization.

This is an ideal course for high handicappers, although more experienced golfers will encounter continuous challenges, forcing them to use all the clubs in the bag.

Architecture and natural environment

Located on a rustic property in the interior of the island, this single-family home with a pool was born from the desire to fully integrate into the surrounding landscape. The natural surroundings and tranquility of the site inspired a project that emphasizes serenity, functionality, and respect for the environment, where every decision seeks to strengthen the connection between the building and its location.

The home is built entirely on a single floor, a choice that favors comfort, accessibility, and a direct connection with the exterior. This layout, along with the large windows and porches that act as transitional elements, blurring the physical boundaries, enhances the continuity between interior and exterior, allowing for daily living directly connected to nature.

Regarding the materials, a selection was chosen that is consistent with the surroundings, using local stone, traditional tiles, and natural finishes that dialogue with the aesthetics of the area. This choice not only reinforces the landscape's integration but also brings warmth and authenticity to the architectural ensemble. The result is a home that blends into the landscape, respectful of the site, and deeply rooted in the island's building tradition.

WHERE LUXURY MEETS THE FAIRWAY

When it comes to planning the ultimate golfing getaway, it's not just about the course - it's about the experience. Discerning travellers seek out destinations that offer more than just easy access to the green. They look for elegance, exclusivity, and unforgettable touches that extend far beyond tee time. Welcome to **Portals Hills Boutique Hotel**, Mallorca's hidden gem and an idyllic base for golfers with a taste for luxury.

But what truly sets this boutique hotel apart is its ability to seamlessly combine world-class golfing access with the intimacy and elegance of a luxury residence. Whether you're an enthusiast planning a solo retreat, a group of friends looking to elevate your annual golfing trip, a couple seeking a luxurious escape, or a business team seeking an exclusive yet relaxed venue for a corporate getaway - Portals Hills caters to every need with the utmost precision and flair.

THE BOUTIQUE ADVANTAGE

Unlike larger resorts, Portals Hills is small enough to feel entirely your own. The hotel offers 30 designer suites and an exclusive FENDI penthouse, styled in Miami - inspired glamour with a Mediterranean

soul - think panoramic sea views, gold-accented interiors, and plush furnishings that spell understated opulence.

CHARTER THE DREAM

Guests also have the option to charter a private yacht - a relaxed and refined way to experience Mallorca from the water. Whether you're marking the end of a great day on the course, enjoying an afternoon out with colleagues, or planning a romantic escape for two, the yacht offers a peaceful setting to take in the island's stunning coastline. It's a thoughtful addition to any itinerary, perfect for adding a little variety, a breath of sea air and a change of pace.

DINE & UNWIND AT COLLINS RESTAURANT

While golf may be the day's highlight, evenings at Portals Hills are equally rewarding. The hotel's signature restaurant offers an exceptional dining experience, with a menu crafted from local, seasonal ingredients and presented with flair. Dine under the stars on an intimate table with views overlooking the bay of Puerto Portals - every meal here is a celebration of taste and setting. For something more laid-back, poolside, La Cabana Gastro Bar & Lounge offers casual all-day dining.

MORE THAN JUST A PLACE TO STAY

Portals Hills is not just a place to stay - it's where the art of travel is redefined. It captures the essence of the spirit of the Mediterranean with a cosmopolitan edge, making it the perfect choice for those who want more from their time away. It's the sort of place where mornings unfold the Mallorcan way; unhurried and sun-drenched, while evenings slip effortlessly into candlelit dinners, framed by sea views and the soft hum of jazz. Everything here feels considered - intuitive service, curated touches, and a gentle rhythm that invites you to slow down. Whether you're teeing off at one of the island's world-class courses or escaping for a few days of quiet luxury, Portals Hills offers a sense of ease that lingers long after you leave. So, for your next golf escape or executive retreat, look beyond the clubhouse.

Look to Portals Hills Boutique Hotel.

REAL GOLF **BENDINAT**

One of the most dramatic courses on the island, Real Golf de Bendinat runs through the rugged terrain just outside the city of Palma. Weighing in at just 5,668 metres, this par 70 is one of the shorter courses in Mallorca but what it lacks in distance it makes up for with some truly unique and beautiful holes and no matter how you shoot the scenery makes it well worth a visit.

Designed by F.W. Hawtree and opened in 1986, expect the unexpected at Bendinat. From the very first hole the player will get a feel of what Bendinat is all about. The elevated tee, blind shot, tight out of bounds, the bunkerprotected green are all things that the player will have to contend with throughout the round. In other words be prepared for some precision play and a bit of guessing. The good news is once you have played Bendinat and learned its tricks your scoring will certainly improve for this is a course you will want to play more than once.

building for LIFE

Enrique Fajardo García (Alaró, 1978), constructor, fundador de **Sestel Builders**, una empresa dedicada a la construcción y desarrollo inmobiliario. Con una visión innovadora pero familiar, ha logrado posicionar su compañía como una de las más relevantes en el sector en las Islas Baleares, destacando por su compromiso con la calidad y la atención al cliente. Su carrera comenzó cuando sólo tenía 16 años, en la empresa familiar también dedicada a la construcción. Años más tarde, emprendió su aventura empresarial en solitario fundando **Sestel**. Empezó con 15 trabajadores, los cuales han sido su mayor pilar y aún hoy, más de 20 años después, siguen a su lado liderando proyectos de reformas hoteleras y construcción de villas de lujo.

SESTEL SOSTENIBILIDAD

En **Sestel** queremos seguir creciendo de una forma sostenible y seguir reduciendo nuestra huella de carbono. Para ello es muy importante asegurar la correcta elección de materiales (sostenibles y saludables), instalar aislantes térmicos de alta eficiencia en fachadas, implementar sistemas como la geotermia en nuestras construcciones, una fuente limpia y renovable muy estable con bajo impacto ambiental. También hacer uso de la domótica, avanzada e inteligente, para la gestión energética (climatización, iluminación, persianas, cámaras, riego,...) y, por supuesto, tener un diseño bioclimático adecuado desde el inicio del proyecto. En conclusión, queremos elevar la construcción a una industria de creciente conciencia y sensibilidad para dejar un legado positivo en el entorno.

Y no solo eso, en **Sestel** queremos seguir creciendo sostenible y saludablemente por lo que estamos trabajando en un proyecto pionero de construcción y well-being del que muy pronto podremos dar más detalles. Mientras tanto, nosotros seguimos construyendo grandes proyectos en nuestras maravillosas islas.

GOLF SANTA PONSA HOTEL

The Golf Santa Ponsa Hotel will be operated by Summum Hotel Group under the Meliá Collection brand as a five-star hotel with a Meliá franchise.

The addition of Golf Santa Ponsa Hotel to The Meliá Collection in Mallorca is great news for both Golf Santa Ponsa and Meliá, as it further consolidates the brand's presence on the island, joining Finca Ratxó, a rustic retreat in the Serra de Tramuntana; and Summum Palma Boutique Hotel, located in the historic heart of Palma, both owned by Summum.

Summum Hotel Group, a family-owned and operated Mallorcan company with a portfolio of 12 unique hotels in different locations in Spain, is known for its meticulous attention to detail. Known for its meticulous management and attention to detail, it will ensure that every aspect of service is up to expectations.

Javier Vich, CEO of Summum, "This collaboration with Meliá Hotels International reaffirms the mutual trust between our companies and Summum's ability to manage high-value assets within the luxury segment" "We are grateful to the Nigorra Group for their trust. We are excited to continue contributing to the development of Mallorca as a benchmark destination for quality tourism and to strengthen our alliance with Meliá in such an emblematic project".

The Meliá Collection, one of the luxury brands in the Meliá Hotels International portfolio, is known for bringing together unique hotels that offer personalized experiences and impeccable service. Each hotel in this collection has been selected for its uniqueness, its history and its ability to offer unique experiences that reflect the essence of the destination.

Gabriel Escarrer, Chairman and CEO of Meliá, expressed his enthusiasm for this collaboration: "The alliance with Summum is a clear example of our joint ability to lead luxury tourism in Mallorca. We are deeply grateful to the Nigorra Group for trusting Meliá and Summum to manage this valuable asset and we are fully committed to driving quality tourism in such an iconic destination as Santa Ponsa. This shared commitment by the three companies reflects their dedication to delivering exceptional experiences and contributing to the sustainable and quality development of tourism on the island."

The hotel will have 88 rooms, and will operate the Santa Ponsa 1 course clubhouse. We will soon announce the expected opening date.

We believe that the renovation of the Hotel brings an important value to the golf course and to the whole area, by offering quality accommodation and catering and providing a service to golf players and members of the Club.

SANTA PONSA I

Santa Ponsa I is the first in a group of three courses, although its sister courses, II and III, are both private member's only clubs. Number I, of course, was the first built, that back in 1977 with design by Folco Nardi and José Gancedo. Since then it has been the site of numerous tournaments including six Balearic Opens and the European Club Championship.

Santa Ponsa I is one of the longest courses on the island. At 6,543 metres from the white tees distance is a major factor here. This is especially true on the 590 metres, par 5, 10th hole, one of the longest in all of Europe. There are also two other par five holes of over 500 metres, five par fours of over 400 metres and a 220 metres par three. The good news is that the fairways are generally wide and allow ample room for you to really go for it off the tees. Then again the numerous water hazards and bunkers will help keep you in line.

SANTA PONSA II

Built in 1991, with design by José Gancedo, the Golf Santa Ponsa II course is 6.053 meters, 18 holes (Par 72). Golf Santa Ponsa II is the only private use Golf Course in Mallorca for it's members. The holes of Golf Santa Ponsa II are situated between a big pine woods forest and large lakes. In the first part the golf player have to be careful and precise through all those pines woods and in the second part the golf player can risk a little more with long and powerful strokes between great lakes. The 18th hole is a very interesting Par 3 where the green is situated in a piece of land which is the shape of the island of Mallorca.

Is a peaceful and enjoyable Golf Course which respects the natural environment. Proof of this is that you could enjoy seeing more than 400 birds and one of the most distinctive is the "Porrón Pardo" or "Aythya Nyroca", endangered species, the "Somormujo Lavanco" or "Podiceps Cristatus" so difficult to see in the Balearic Island, and also the "Martín Pescador" or "Alcedo Atthis" among many others. This course also offers the facilities to improve the game, with a driving range 350 meters in length with tees at both ends of 100 meters each, putting green and chipping area.

CRISTINA BLANCO

SALES & MARKETING DIRECTOR OF
HOTEL SON CALIU SPA OASIS

Since your arrival at Hotel Son Caliu Spa Oasis, how do you believe the guest experience has evolved?

Since I joined the team-and with the invaluable support of our General Manager-we've focused our efforts on elevating guest personalization. Through continuous staff training, strategic investments in technology for more agile service, and a strong commitment to holistic well-being, the guest experience has become more emotional, authentic, and memorable.

How important is Mallorca's authenticity in your marketing strategy and guest experience?

Mallorca's authenticity is at the very heart of our strategy-both in terms of communication and in what we offer to our guests. We aim for every visitor to forge a genuine connection with the island, beyond its sun and beaches. To achieve this, we incorporate true Mallorcan elements: a carefully curated selection of local wines-partnering with prestigious wineries such as Finca Biniagual, where we organize guest visits to experience traditional winemaking firsthand. We also host weekly Mallorcan dinners at the hotel, allowing guests to discover local cuisine. Additionally, we recommend iconic places like Puerto Portals, where Mediterranean lifestyle meets a refined selection of gastronomy, leisure,

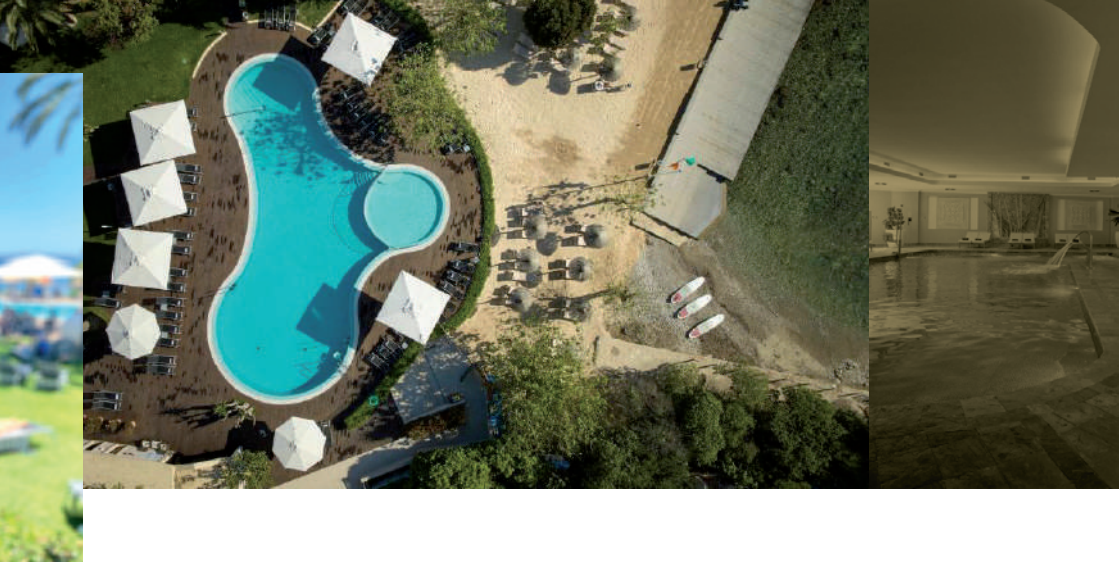

and yachting. This authentic narrative extends into our marketing strategy, which is emotionally driven and rooted in responsible tourism.

What truly sets Hotel Son Caliu Spa Oasis apart from other accommodations in Mallorca?

Our beachfront location offers direct access to the sea-a dream for beach and sun lovers. One of our key differentiators is the exclusive Portals Lounge, an adults-only zone offering tranquility and sophistication for those seeking serenity. Our offering is versatile, catering to a wide range of guest profiles. Business travelers benefit from fully equipped conference rooms, wellness seekers enjoy our 1,100m² spa, and active guests can take advantage of our cycling facilities and partnerships with nearby golf courses. Above all, what distinguishes us is our dedicated team, whose warmth and commitment to service excellence create an atmosphere that makes Hotel Son Caliu Spa Oasis a multifaceted refuge-ideal for relaxation, exploration, or remote work from the heart of the Mediterranean.

Your greatest challenge?

My greatest satisfaction comes from seeing our strategy-developed in close collaboration with General Manager Ramon Sánchez-translate into tangible results: high repeat guest rates, strong guest

satisfaction, and a growing international reputation. It's incredibly rewarding to work with a product as authentic and high-quality as Hotel Son Caliu Spa Oasis. The greatest challenge is staying competitive in Mallorca's fast-paced luxury hospitality sector. It requires constant adaptation, a sharp understanding of trends, and the ability to continuously evolve our value proposition and differentiation.

What core values define the philosophy of Hotel Son Caliu Spa Oasis?

Our guiding principles are professionalism, teamwork, continuous improvement, and a deep-rooted commitment to sustainability and well-being. These values shape every decision we make—from selecting our suppliers to crafting guest experiences.

What trends do you see in the luxury market in Mallorca, and how is Hotel Son Caliu Spa Oasis adapting?

Luxury travelers today seek personalized, sustainable experiences that support holistic well-being. They want more than just comfort—they crave authenticity, privacy, and individual attention. At Hotel Son Caliu Spa Oasis, we've responded with several key initiatives. We've launched new suites that blend contemporary design, exceptional comfort, and breathtaking sea

views—designed to elevate the guest experience to a more exclusive level. We've also enhanced our wellness offering with tailored spa packages and continued expanding our sustainability efforts. On the marketing side, we're embracing more emotionally driven, segmented communication, enabling us to connect meaningfully with different guest profiles and share a more authentic, responsible vision of Mallorca.

With sustainable tourism on the rise, what initiatives have you implemented?

Sustainability is one of our top priorities. We've introduced renewable energy solutions, significantly reduced plastic use, and eliminated single-use packaging. We also minimize food waste and promote responsible consumption by prioritizing local suppliers, supporting both environmental and economic sustainability on the island.

Beyond hospitality, are there any social or community projects you'd like to highlight?

Absolutely. At Hotel Son Caliu Spa Oasis, we actively collaborate with local organizations that promote workplace inclusion. We also make charitable contributions and support local sports, social, and solidarity projects every year, reinforcing our commitment to community and regional development.

Zaranda

20 years of a soulful culinary journey

From Madrid to Mallorca: The Evolution of a Michelin-Starred Icon

In 2005, chef Fernando Pérez Arellano opened Zaranda in the heart of Madrid. Within a year, the restaurant earned its first Michelin star, signaling the arrival of a new culinary talent on the Spanish gastronomic scene. After five successful years in the capital, Arellano sought a new challenge and relocated Zaranda to Mallorca in 2010, bringing his entire team along.

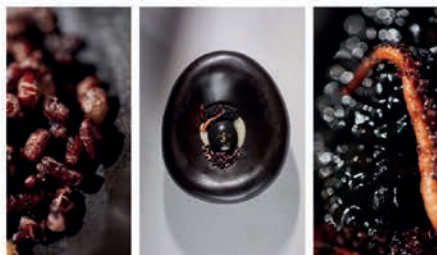

The move to Mallorca marked a new chapter for Zaranda. Initially set in the Hilton Sa Torre Mallorca, the restaurant continued to garner acclaim for its innovative cuisine that blended local ingredients with avant-garde techniques. In 2013, Zaranda found a new home at the luxurious Castell Son Claret hotel in Es Capdellà. Here, the restaurant achieved

the distinction of being the only two-Michelin-starred establishment on the stand by 2015.

A New Era in Palma

In 2021, Zaranda embarked on its latest journey, relocating to the five-star Hotel Es Príncep in Palma's historic Sa Calatrava district. This move, dubbed "Zaranda 3.0," was driven by Arellano's ambition to get into a more immersive experience for his customers and to be more accessible to local patrons.

The new location offers an intimate dining experience, accommodating just 24 guests. You can choose between two tasting menus: "A flor de piel" an 12-course journey, and "Plena flor," a 18-course, journey both exploration of new creations inspired by the restaurant's surroundings. The menus pay homage to the building's history as a former tannery, with dishes reflecting themes of leathers and transformation.

Complementing the cuisine is an extensive wine list, with more than 400 references from Mallorca, Spain, and beyond. As an ambassador for Dom Pérignon, Arellano offers exclusive champagne pairings, enhancing the dining experience.

Looking Ahead ...

As Zaranda celebrates its 20th anniversary, the restaurant continues to evolve, blending tradition with innovation. With a dedicated team and a commitment to excellence, Arellano's vision for Zaranda remains as ambitious as ever. The journey from Madrid to Mallorca has been one of passion, resilience, and culinary brilliance—a true testament to two decades of gastronomic artistry.

GOLF DE ANDRATX

A combination of picturesque sights along with some of the most stimulating hole layouts will provide a truly unforgettable experience for golfers. Designed by Gleneagles, the course is protected by seven water hazards and sixty strategically placed bunkers to provide a stern test of golf. The signature 6th hole carries the status as “Longest Hole in Spain” clocking in a 609 metres from the back tees and certainly merits its name as “The Green Monster”.

CLUB DE GOLF SON SERVERA

Club de Golf Son Servera is, for the greatest part, a gently undulating 18 holes parkland course with generous fairways and rough, situated on the beautiful coast of Costa de los Pinos. Many evergreen oak, pine, olive, carob and palm trees line the path to the green. Holes 3 to 7 are undoubtedly different as narrow tree lined fairways venture into the hills and twist between the lakes and pines making this stretch the toughest test on the course. All parts of the course give fine views of the pine clad mountains and from many holes there are splendid views over the Bay of Cala Millor.

After your round the restaurant Costa De Los Pinos awaits it's clients with traditional mediterranean dishes and an outstanding view of the 18th hole and the bay of Llevant.

T GOLF PALMA PUNTIRÓ

When T-Golf Palma first opened in 2006 as Golf Puntiró, it quickly became a must play course for golfers visiting Mallorca. Today, after a complete renovation carried out by new owners, T-Golf Group, it is even more so. The stunning parkland-style, brings American style golf to the heart of the Mediterranean.

Winding its way through rolling green hills and stands of indigenous pine, olive and carob trees, T-Golf Palma is a par-71, measuring 6,047m from the Championship (White) tees. A challenge to all level players. Whether you golf or not, T-Golf Palma is worth the visit just to check out the spectacular clubhouse where there is a fully stocked pro shop and numerous terraces to enjoy a drink and the wonderful scenery. Another highlight is T-elicious Restaurant overlooking the 18th hole. The modern Mediterranean cuisine they serve and the setting round out the experience.

The championship course, state-of-the-art clubhouse and gourmet cuisine combine to make T-Golf Palma more than a golf course, it's a destination.

GOLF MAIORIS

Anewcomer to the Mallorcan golf scene, this almost unpronounceable course may not have a big-name designer behind it but it does add something to the island's golf offer, namely variety. With five different tee positions allowing you to choose your level of difficulty, Maioris is suited and fun for golfers of all handicaps.

An aerial photograph of the island of Menorca, Spain. The foreground shows the city walls of Ciutadella de Menorca, a large stone fortification complex with multiple courtyards and buildings. The walls are built on a rocky cliffside overlooking the sea. The water is a deep blue, with a small red and white lighthouse visible on the coast. In the background, the city of Mahón is visible, built on a peninsula surrounded by water. The sky is filled with dramatic, dark clouds.

GOLF SON PARC

The only golf course of Menorca located on the north part of the island in the “Urbanization Son Parc” that belong to Es Mercadal little town.

Golf Son Parc Menorca is special for many reasons as it offers a very natural, relaxing and fascinating golf experience. The course is as competitive as it is picturesque, its 18 holes are surrounded by pine trees and it has a comfortable, flat and narrow course. The difficulties can occur during windy days.

GOLF IBIZA

With an extension of more than ten kilometers of intense countryside, the Golf Course is located just seven kilometers from the capital of Ibiza and is halfway between the towns of Jesus and Santa Eulalia. In addition, in the municipal area of Santa Eulalia, it has two courses with very different characteristics located in a beautiful valley near the Ibizan coast, from where you can appreciate the unique and spectacular views. The design and courses allow you to enjoy golf with family and friends whilst taking pleasure in the scenery.

Among the changes in the facilities are great improvements in equipment, maintenance and conditioning of the Golf Course, where both the Greens, as well as the bunkers and the extensive routes of the lanes, have been carefully maintained and improved in great detail.

ADLIB

Dress as you like but with taste

Adlib Ibiza, 54 years of history combining tradition and trend

Founded in the 1970s, Adlib Ibiza is the oldest fashion show in Spain and a symbol of quality, craftsmanship, and elegance. A fashion label, with a designation of origin, that highlights the island's origins, its history, and local craftsmanship.

Promoted by the Consell d'Eivissa (Eivissa Council), Adlib Ibiza has established itself as a benchmark for a job well done thanks to the tireless efforts of the fourteen designers who make up the label: Dolors Miró Ibiza, Elisa Pomar Ibiza, Espardenyes Torres, Estrivancus, Ibimoda, Ibiza Stones, Ivanna Mestres, K de Kosekose, Monika Maxim Ibiza, Piluca Bayarri, Tony Bonet, S72 Hat, Vintage Ibiza, and Virginia Vald.

Adlib Ibiza creates ethical fashion with soul, manufactured entirely in Ibiza using artisanal processes and techniques, emphasizing the exclusivity of the product. The craftsmanship stands out in the details displayed in each design. Fabrics, high-quality materials, and exclusive design are the values brought to life by this local community. The fashion designers are highly recognizable thanks to common characteristics such as the color white, lace, and simple lines combined with flowing fabrics such as cotton, gauze, lace, guipure, and cotton voile.

As for the jewelry and accessories, they combine tradition and avant-garde with jewels, espadrilles, capelins, and senallons that combine tradition with trends, reflecting a personal and unique style that embraces slow luxury.

Adlib Ibiza's designs reflect the island's philosophy and values since its beginnings, which are reflected in its motto "Dress as you like, but with taste." Adlib Ibiza is haute couture, craftsmanship, talent, and respect for its roots and culture. It also includes fine fabrics and natural colors; in essence, it is the past, the present, and the future. A lifestyle based on respect, innovation, trends, freedom, and the good taste of one of the most cosmopolitan corners of the world.
